

## Rapportage Dagelijkse Controles

Datum aanmaak: 17 Nov 2013 19:40:34PM

Vandaag is/zijn uw werkstation(s) aan de afgesproken dagelijkse controles onderworpen. Alle werkstations hebben deze controle succesvol doorlopen.

Ter informatie worden hieronder de details van de status van uw werkstation(s) getoond.

N.B.: indien bij een dag/controle een 'transparant' of 'wit' icoon wordt weergegeven betekent dit dat de betreffende controle niet heeft kunnen plaatsvinden (systeem stond uit of er was geen Internet verbinding).

### Summary:

Site	Device	Description							Usage Saturday 16, Nov 2013		
									Start	End	Total*
Demo Max 2 serv 5 ws	WBS-1007PH0100017	Notebook HaarmanB ICT							Not available	Not available	Not available
Demo Max 2 serv 5 ws	WBS-10120009	Notebook van Jelmer							Not available	Not available	Not available
Demo Max 2 serv 5 ws	WBS-100901002	Notebook Marijke							Not available	Not available	Not available
Demo Max 2 serv 5 ws	WBS-100901002	Notebook Marijke Gordijn							16 Nov 2013 17:26	16 Nov 2013 23:26	6 hours
Demo Max 2 serv 5 ws	WBS-101101700	Notebook van Wouter							Not available	Not available	Not available

\*The total uptime is the time the workstation was online the previous day. This may be less than the elapsed time between start and end time if the workstation was switched off in-between, for example.

**Device: WBS-1007PH0100017 - Notebook HaarmanB ICT - (Today's data not received, Last Daily Safety Check: 14 Nov 2013 08:58 AM)**

**Device: WBS-10120009 - Notebook van Jelmer - (Last Daily Safety Check: 17 Nov 2013 15:05 PM)**

- Drive Space Change Check - drive C: Total: 218.69GB, Free: 117.29GB, Change: - 2.00%
- Drive Space Change Check - drive D: Awaiting first run
- Hacker Check 0 Attempts
- Physical Disk Health Check
- Critical Events Check - Application log, 1
- Critical Events Check - Security log, 1
- Critical Events Check - System log, 1 1 event(s) found
- Script Check - Antivirus status Anti-Virus Installed and Up to Date
- Vulnerability Check Awaiting first run

**Device: WBS-100901002 - Notebook Marijke - (Offline, Last Daily Safety Check: 17 Oct 2013 09:32 AM)**

**Device: WBS-100901002 - Notebook Marijke Gordijn - (Last Daily Safety Check: 17 Nov 2013 06:02 AM)**

- Drive Space Change Check - drive C: Total: 80.00GB, Free: 29.28GB, Change: 0.00%
- Drive Space Change Check - drive D: Total: 364.30GB, Free: 247.63GB, Change: 0.00%
- Hacker Check 0 Attempts
- Physical Disk Health Check
- Critical Events Check - Application log, 1
- Critical Events Check - Security log, 1
- Critical Events Check - System log, 1
- Script Check - Antivirus status Anti-Virus Installed and Up to Date
- Vulnerability Check 6 Vulnerabilities Identified

**Device: WBS-101101700 - Notebook van Wouter - (Last Daily Safety Check: 17 Nov 2013 15:48 PM)**

- Drive Space Change Check - drive C: Total: 218.69GB, Free: 126.29GB, Change: 0.00%
- Hacker Check 0 Attempts
- Physical Disk Health Check
- Critical Events Check - Application log, 1 1 event(s) found
- Critical Events Check - Security log, 1
- Critical Events Check - System log, 1
- Script Check - Antivirus status Anti-Virus Installed and Up to Date
- Vulnerability Check Awaiting first run
